## 1 Year Gold Plus Warranty Agreement

### Terms of Warranty

- The warranty described in the following agreement is a **1 year (365 Days) PARTS AND LABOR WARRANTY.**
- This warranty is in lieu of any other warranties expressed or implied. It is the purchaser's obligation to read carefully and understand all terms set forth. By paying for this invoice you are agreeing to the terms as outlined.
- This extended warranty is to take effect from the original purchase invoice date and will not be extended for any reason.
- For this warranty to be in effect the words "**GOLD PLUS**" must appear on your original invoice.
- Cores are required to be returned within 30 days of invoice date for warranty to remain in effect.
- This warranty applies only to the original purchaser and only for as long as the part is still installed in the vehicle for which it was originally purchased and is not transferable. This warranty does not cover damage if the parts are used in connection with racing purposes or vehicles with racing equipment.
- This warranty covers only the specific part described by the part type and stock number on the original invoice.
- The original invoice must and this warranty statement must accompany all claims.
- **All warranty work must have prior approval from Wayne Auto Salvage, Inc. Please call before removing any part under warranty. Failure to do so will void all claims. Wayne Auto Salvage authorized or preferred shop must do all warranty work.**
- The liability and obligation of Wayne Auto Salvage, Inc. under this warranty shall not exceed the amount of time period shown on the original invoice of this agreement and shall not include any inconvenience, loss due to down-time, cost of lodging, telephone, direct or consequent damage, delay resulting from defect, or towing cost not provided for in warranty.
- Wayne Auto Salvage, Inc. reserves the right to repair, replace, or refund the purchase price of any part at its option. Such act will satisfy all obligations under this warranty. Any improper use neglect, damage done by improper installation or repairs, or the removal of a part from the vehicle in which it was first installed will void this warranty.
- The included labor warranty is paid on a set scale. They are: up to \$450.00 for engines, up to \$350.00 for front and all wheel drive transmissions, and up to 275.00 for all rear wheel drive transmissions. A copy of the repair bill will be needed with all claims. Labor claims will only be paid one time. Any amount exceeding this is the responsibility of the customer.
- This warranty does include towing charges not to exceed \$65.00. Any amount exceeding this is the responsibility of the customer. Towing charges will only be paid one time.
- All covered labor claim payments will be paid to the original purchaser of the part listed on its invoice or directly to the shop doing the work.
- Engines: engines are left as complete as possible for the convenience of the installers. Unless otherwise stated on the invoice, all engines are warranted to be free from defects. This covers engine block, cylinder head, valves, camshaft, connection rods, bearings, pistons, rings, oil pump, crankshaft, rocker arms, lifters, as well as other internal parts. Warranty does not cover attached parts or accessories including but not limited to carburetor, distributor, fuel pump, water pump all electrical parts, hoses, lines, intake and exhaust manifolds, fuel injectors and pumps and all other fuel injection parts. Installation requires tune up including points, plugs, wires, oils, coolant, etc... Also not included are oil seals or gaskets. Proper oil and coolant levels should be maintained at all time. Engines are not warranted if they are run hot. Heat tabs are installed on all engines. A melted or removed heat tab will void any warranty. Engines are not warranted for damage as a result of accident, act of God, or vandalism.
- Transmission: unless otherwise stated all transmissions are warranted to be free from defects. The parts covered by this warranty are the transmission case and all internal parts including the torque converter. They are warranted to be in good working order including slippage, shifting failures, or bearing noise. This warranty does not cover mount, Shifting linkage, or flywheel. This warranty does not cover front or rear seal, their installation, or damage resulting from a leaking seal. New seals and new fluid must be installed at time of installation. Transmissions are not warranted for damage as a result of accident, act of God, or vandalism. Cooling systems must be flushed/replaced at time of install.
- This warranty gives you specific legal rights. You may also have other rights, which vary, from state to state. Any cause of action arising from any warranty action must be filed in Wayne County, NC.
